Identical letters dated 24 April 2018 from the Permanent Representative of the Syrian Arab Republic to the United Nations addressed to the Secretary-General and the President of the Security Council

Following the previous letters that I have addressed to you regarding the repeated and continuing terrorist attacks committed by armed terrorist groups against civilians in the city of Damascus and its suburbs, and upon instructions from my Government, I would like to inform you that, on 20 and 21 April 2018, those terrorist groups targeted residential neighbourhoods in Damascus with 14 rocket-propelled grenades, killing two civilians and wounding eight others, in addition to causing serious damage to public and private property and infrastructure.

It would be highly appreciated if the present letter could be circulated as a document of the Security Council.

(*Signed*) Bashar **Ja'afari**
